BULLETIN

AHMEDABAD OBSTETRICS AND GYNAECOLOGICAL SOCIETY
NEWS LETTER VOL.6 2011

Theme : Prevention - Early Intervention

Dear Friends,

Wishing you all a New Year's Greetings.

The year Vikram Samvat 2067 is over

And we had a very good West Zone Yuva Fogsji 2011.

It was a grand success with participation of delegates in large numbers.

Sharing the knowledge with Youth with good subjects at good Venue with good food was guaranteed and achieved because of support of entire organising team.

We acknowledge this and are thankful for same.

So, with a new year (2068) a new CME on Management of Breast lump by Dr. Anagha Zope has been arranged at Hotel Fortune Landmark, Ahmedabad.

Hoping the cool breeze of winter soon.

AOGGS Team.

WEST ZONE YUVA FOGSI REPORT

The conference was organized by Ahmedabad Obstetric & Gynecological Society on 8th & 9th of October 2011. It was held at The Mahatma Mandir, Gandhinagar. The venue is one of its finest kinds of convention centres in the country.

The exhibition was planned at the same venue and the entire facility was completely air-conditioned.

Two halls were occupied simultaneously on both the days where scientific deliberations rolled on continuously.

The inauguration ceremony had the proud privilege of having Mr Jaynarayan Vyas (Hon Health Minister Gujarat) as the chief Guest.

More than 20 national faculty & 180 local faculty delivered scientific deliberations.

More than 400 delegates attended the conference.

The Postgraduate quiz was also conducted & had drawn great interest from the postgraduates.

More than 50 scientific papers & Posters were displayed at the convention centre. Lot of interest was reflecting in the Essays presented by the Postgraduate students.

USG Workshop

Fetal cranium & ultrasound workshop was conducted at AMA hall on 7th October 2011.

One of the senior most member of our association Dr.Vilasben Mehta & Dr. Harshad Shah had inaugurated the workshop.

More than 80 members were present in the workshop.

Live demonstration of USG of fetal cranium & pelvic masses were demonstrated by eminent faculties.

Role of MRI & color doppler was emphasized in cranial anomalies & pelvic masses.

An interesting film on MR guided high intensity focused ultrasound (HIFU) for the treatment of uterine fibroids was shown by Philips India.

Detailed insight on medicolegal aspect of USG (pndt act) was given by Dr. Geetendra Sharma.

An interesting quiz was conducted & prizes were awarded to the winners.

Overall it was an interesting workshop well coordinated by Dr jignesh shah Dr vinod Arora & Dr. Mukesh Patel.

Obstetric Workshop

The Safe CS workshop was conducted at LG Hospital on 7th October 2011.

Hon mayor of Ahmedabad, Shri Asit Vora & Pro Vice chancellor of Gujarat University Dr Mukul Shah were present during the inauguration ceremony.

More than 100 delegates attended the workshop.

Live surgeries were relayed from the Operation theater by Dr Ajit Rawal & Dr Mahesh Gupta. The conventional CS was demonstrated by Dr A C Rawal & finer details were elaborated laying emphasis on the fact that how the complications can be avoided or minimized?

Dr Mahesh Gupta demonstrated the Misgav Ladach technique & step wise devascularisation procedure.

The compering was done by Dr Kiran Desai and he was the one point contact between the audience & the faculties in O. T.

Deliberations were also made on various aspects related to the topic & one panel discussion was also conducted on Difficult situations at CS.

Overall the workshop had been very interesting & lively interaction continued till late evening.
