Past Programme Report

Dear friends,

It was a very Successful CME 127 Delegates participated enthusiastically.

According to "MANUSMRUTI" it is said that "For positive outcome of Pregnancy Blessings of forefathers & Parents are necessary" – said in Beginning prayer.

Dr.R.G.Patel explained in detail Etiological Factors of RPL. Dr.Mala Arora from FOGSI Scientific committee presented excellently all Interesting cases of RPL. Dr. Purnima Nadkarni a senior IVF specialist from south Gujarat narrated Biochemical Screening of RPL beautifully. Dr. B.I.Patel taught principles of sonography & Imaging Screening of RPL.

Panel Discussion on Controversies and dilemmas in the management of RPL was moderated by both stalwarts Dr.Mala Arora and Dr. Purnima Nadkarni. All our Panelists were senior members of AOGS made Panel Discussion informative & humorous. Quiz & Lucky Draw was also interesting. All Chairpersons conducted all 3 sessions nicely.

It was an auspicious day as there was Adishankara jayanti, Shree Rabindranath Tagore's birthday, Mother's day & Red cross day as well. Everybody enjoyed delicious lunch of hotel Metropole which was followed by GBM. The programme was sponsored by Akumentis Healthcare Ltd.
