

PAST PROGRAMME REPORT

Medical Management of DUB

Programme of DUB at St. Lurn was attended by more than 75 AOGS members. The lectures on conservative management of DUB were very much informative & gave the insights of the subject in lucid details. The faculties- namely Dr. Uma Devi & Dr. Rajeshekar Nair gave the details of use of ormeloxiphen in the management of DUB. While Dr. Vinit Mishra gave the insight of the management of patient of DUB with CRF.

The programme was well-appreciated & everybody relished the food & academic feast.
