

Heritage Walk..... a report

About 80 AOGS family members joined in the Heritage Tour which was organised on Sunday, 17th January. The tour started sharp at 9.00 am from Swaminarayan Mandir. Along the route we saw Kavi Dalpatram Chawk, Ancient Kala Ramji Mandir, Chabutaras, Magnificent underground Sambavnathji Derasar, Sprawling courtyard of the great Jama-Masjid, Rani no Hajiro, Badshah no Hajiro, Great Saibaba Mandir, some of the architectural wonders in form of ancient havelis, temples & heritage homes.

There was an interesting documentary also, which informed us about how the concept of heritage conservation has evolved through last 15 years. Then there was a rain water harvesting system of nearly 400 yrs. old, the ancient underground tankas....

Everybody enjoyed the wonderful hospitality of the organisers & departed with sweet memories & nostalgic feelings of old world charm....a programme worth repeating every year for dear AOGSIANS.....
