

Report of 2nd Surgical Workshop

Venue: Parekh's Hospital, Shyamal
Char Rasta; Satellite, A'bad.

Date : 30th June 2013, Sunday

Our presidents' pet project i.e. the second regional surgical workshop was conducted on 30th June, Sunday at Parekhs' Hospital, Shyamal cross roads, Satellite.

After enthusiastic participation from delegates in 1st workshop at Bapunagar, Dr. Anjanaben Chauhan and Dr. Dhaval Shah volunteered for such event in satellite under the guidance of co ordinators Dr. Mukesh Savalia, Dr. Mukesh Patel and team. Their hard work and support from Parekhs' hospital made this event a grand success.

Inauguration was done by the senior teacher, Dr. Vilasben Mehta, Dr. Ramesh Parekh, Dr. Mahesh Gupta and Dr. Kiran Desai.

The event was very well attended by more than 65 delegates from satellite and surrounding area. Total 3 surgeries were performed in OT complex and relayed to the auditorium.

NDVH in big Adenomyotic uterus was performed by president Dr. Mahesh Gupta.

Dr. Sanjay Patel, [Mayflower Hospital] with his team demonstrated TLH with simple bipolar, and he was at his best in demonstrating surgical anatomy of pelvis, it was a visual feast for the eyes of attending doctors.

Dr. Mahesh Gupta demonstrated LSCS by Misgav Ladach technique and procedures for managing PPH, [Uterine artery ligation, B Lynch technique, internal iliac artery ligation.]

Dr. Maheshbhai gave some practical tips for IIA ligation and tried to boost confidence in attending delegates so that even they can perform it in emergency. AOGS active team thanks all the delegates, faculties and the management & staff of Parekhs' hospital for the grand success of this workshop.

The purpose of such workshop in local area is to boost confidence in each practising doctor so that he or she can also perform such surgeries in emergency. Everyone present there appreciated it very well. We thank Dr. Dimple Parekh, anaesthetists Dr. Sanket, Dr. Tejas, Dr. Krutarth, team of Dr. Sanjay Patel and team of Parekhs' hospital for their whole hearted support.
