

## **PROGRAM** *report*

The program "Holistic Approach in Medical Practice" was a grand affair which was attended by 150 delegates. Many senior members including Dr. R. C. Shah, AMA President were present.

The first session started with Dr. Sudhir Shah, neurophysician giving practical tips on the art and science of meditation. The talk on mental health & stress management by Dr. Rajesh Parikh, psychiatrist from USA was excellent. The most important session was the AOGS Golden Jubilee Oration, which was given by Dr. Deepak Dave, Ex-Vice President of FOGSI on the interesting topic on 'What is success?'. The session concluded with Dr. Dhiren Joshi, Cardiologist's speech on social & spiritual health, The Program was well conducted by Dr. Mukesh Bavishi, who made the entire session very humorous and lively.

A CD of the Talk is available on request from the AOGS office.
