Dear Sir,

It is indeed a privilege to invite you all to the National Medico-legal Conference, The event which is organized by the AOGS under the aegis of FOGSI on 2nd to 4th September, 2016. AOGS has organized multiple National Conferences in the past. We feel proud to continue the same tradition.

As we all know that there are multiple legal hassles in doing Medical Practice now a days particularly in Obstetrics and Gynecology. To practice Obstetrics and Gynecology is becoming very difficult day by day under the fear of laws. To know the laws is as much important as to know the medical subject. Medico-legal has become a part of medical curriculum.

"Ignorance of Law is no excuse" and "Prevention is always better than cure"

This year the theme of AOGS is **"Prevention, Protection and Progression"**. With the aim to fulfill the object AOGS has planned to organize National Medico-legal Conference. In the era of evidence based practice medico-legal knowledge is the need of the hour. Medico-legal knowledge also improves the quality of the practice. The AOGS has taken initiative for updating the knowledge of ethical, moral and legal aspect of professional practice.

There will be renowned national faculties sharing their views and experiences. The academic stuff will cover the topics pertaining to all different sub-specialties of Obstetrics and Gynecology. We are sure that by providing practical legal knowledge we will be able to **prevent** many legal problems of our colleagues and if they are already into it, we will be able to **protect** them in a better way and ultimately our aim is to **progress** with fearless practice.

Medico-legal is a hot topic and all the conferences and CMEs on this topic are always jam packed. We expect more than 2,000 Delegates from all over India. All the Chairpersons and Secretaries of this conference are experts in this field and we are sure to provide the best to all the delegates. We are planning to arrange workshops, One to one interactions, Mock Courts, Skits, Role plays and many more novel things during this conference.
