

Ultrasound update foundation

Along with AOGS and SFM organizes

Essentials of Genetics On 29th & 30th of June in Ahmedabad at Hotel Crown Plaza SG highway .
Theme of conference is “looking beyond aneuploidy”.

Our aim is to deliver best working knowledge in fundamental of genetics & clinical application.
After attending this meet we are sure that you will be able to guide your patient towards appropriate testing. Less theory more case. All faculty are pioneer in the field of genetics
