August 23, 2020

Dear Presidents of FOGSI Society,

We wish greetings from FOGSI! We hope this mail finds you safe and well. We appreciate your support and inclusive actions taken to combat the COVID-19 Pandemic. FOGSI is committed to provide ethical women's healthcare services from adolescence, reproductive, menopause to geriatric age group. FOGSI endorses, advocates & supports reproductive health & rights of adolescents of our country. August 2020 has been declared and celebrated as adolescent month by FOGSI.

Since adolescence and teenage years is the most important age in shaping ideas and attitudes that will form the base of a healthy and happy adult. Adolescent health education, especially preventive health and sex education can go a long way in keeping the nation clean, healthy and safe.

As you know we had E-Conclave on Preventable Adolescent Health Issues on the occasion of International Youth Day (IYD) on 10th August. This program was attended by 1,20,000 viewers. The poster and slogan competition received 3000 entries and there were 10000 comments and questions by viewers. And the most prestigious moment was the blessings and message by our respected Prime Minister Mr.Narendra Modiji for this E-Conclave. We are thankful to you all for your kind participation and cooperation for these activities. Without your support it would have not been possible.

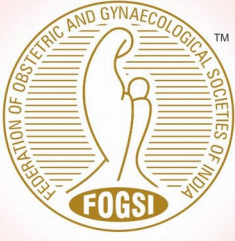

In this same series FOGSI has organized **International Adolescent Health E-Conference** from 28th to 30th AUGUST. This is the first E-Conference of FOGSI for 3 days. We have invited many **renowned international specialties of the subject for this conference. Respected Shivani DIDI** is going to address and bless the Adolescents and all of us with her speech on 28th. We are having legendary guests of honor in this field to address us.

"On the first day of the conference (28th August) we are having a workshop on **MENTAL HEALTH OF ADOLESCENTS**. Panel on SEXUAL BEHAVIOUR OF ADOLESCENT will be the highlighting event. This workshop is designed for doctors of all specialties, Students, Parents, Teachers, Adolescent Counselors, Educationists. We are expecting you to propagate this information in your society to maximum beneficiaries. Please pass on this message to IMA, IAP, general practitioners, Schools. Colleges and all friends on social media. We would be very grateful, if you can help FOGSI in reaching adolescents and youth of our country.

We have planned a two days conference on 29-30 August, 2020 for our members, policy makers, IMA and IAP members. Registration is completely free of any charges. This conference has been awarded 9 ICOG credit points. We take an opportunity to request you to pass on this message and request to every member of your society.
