MESSAGE

Dear Fellow Colleague,

It is a matter of great pleasure to invite you all at grand academic extravaganza at Ahmedabad, one of the fastest growing and heritage city of India.

MMCON 2018 (Multiple pregnancies and Medical disorders in Pregnancy) is the theme based focused conference. Double Pregnancy does not mean double joy or happiness. In Human Concept "One is enough, More then one is trouble"

Many a times, obstetric practice deals with potentially life threatening condition. If it is associated with medical disorders in pregnancy, the risk increases many folds & becomes nightmares. It may invite litigation if something goes wrong.

How to get rid of the situation safely is a question of every health service provider. To get answer of all these, please attend this conference. This conference is enriched with national and International faculties and having **two important pre conference workshops** i.e. **Multiple pregnancy and Ultrasound and Medical disorders in Pregnancy.**

Your presence and active participation in making a difference in women's quality healthcare in India is highly valued. It is a dream of President, FOGSI this year to give her quality care with respect and dignity.

Eager to welcome you at Ahmedabad

With warm regards,
