WELCOME MESSAGE

Dear friend,

On behalf of the organizing committee of FOGSI and AOGS, we take pleasure in inviting you to the National Fetal Medicine Conference to be held at Hotel Ista, Ahmedabad from 26-28 October 2012.

We see this as an excellent opportunity to learn the excellence in the field of Ultrasound in Obstetrics and Gynecology from the experts. All women will be benefitted by improving the knowledge of Ultrasonography in the field of Ob & gyn.

We are sure that we will be able to improve the Perinatal and maternal mortality-morbidity by improving knowledge of Ultrasonography in obstetrics.

We hope that many of you come from towns and cities beyond the metros so that ultrasound techniques in both acquisition and interpretation can be established in all corners across India.

Ahmedabad is the place to visit as it is the land of Mahatma Gandhi and Sardar Vallabhbhai Patel. It has more to visit for many historical sites and amazing architecture and cuisine. It is "one of the Ultimate Cities of a Lifetime to visit and explore"

We intend to have an advanced scientific programme, with renowned faculties invited from different parts of the world.

Looking forward to meet you.

Dr. P. K. Shah
Organizing Chairperson
