QUESTION & ANSWER SESSION

TIME : 9:00 - 9:30 P.M.

PROGRAM WILL BE FOLLOWED BY DINNER

LEARN

We are happy to invite you to participate in the LEARN - STIMULATE-TREAT initiative from Indira IVF. We will take the lead in educating you about stimulation protocols and keep upgrading ART knowledge.

STIMULATE

We will help you stimulate your patients with the help of our digital platform for cycle monitoring. You will stimulate the patients who will reach Indira IVF only for Egg Retrieval and Embryo Transfer.

TREAT

You will be the treating doctor for your own patients so the patient-doctor bond remains strong and Indira IVF will be the catalyst to complete happy families.

SPEAKER

DR. GAUTAM ALLAHBADIA

MD, DNB, FNAMS, DGO, DFR, FICOG, FCPS, FICMU
HEAD, MEDICAL EDUCATION & RESEARCH, INDIRA IVF

Dr Gautam Nand Allahbadia is Consultant Reproductive Endocrinology & IVF at the Millennium Medical Center, Al Thanyah; Canadian Specialist Hospital, Dubai; Orchid Fertility & Andrology, DHCC Dubai; Dr Amal Elias IVF Center, SZ Road; Bourn Hall Clinic, Jumeirah, Dubai, UAE as well as Indo-Nippon IVF, Mumbai India. He was the founder of Rotunda - The Center for Human Reproduction, the world-renowned chain of IVF Centers in India.

He has recently joined Indira IVF - India's largest chain of IVF Centers as Head of Medical Education & Research. He is a noted world authority on Ultrasound-guided Embryo transfers and one of the pioneers in Third Party Reproduction in Southeast Asia. Dr. Allahbadia was responsible for India's first trans-ethnic surrogate pregnancy involving a Chinese couple's baby delivered by an unrelated Indian surrogate mother. Gautam N Allahbadia, MD is the Emeritus Editor of the Journal of Obstetrics & Gynecology of India as well as the IVF Lite (Journal of Minimal Stimulation IVF). He cherishes over 150 peer-reviewed publications, 134 book chapters and 25 textbooks, the latest being a comprehensive text published by Springer International, entitled "The Art & Science of ART", and is on the Editorial Board of several International Journals. Dr. Allahbadia was recently elected as the Vice President of the World Association of Reproductive Medicine (WARM), headquartered in Rome, and "Mumbai's Top Doc" for 2012 by a peer nomination process. You can read more about his work at www.gautamallahbadia.com.
