Dear SOGOG Members,

We express our sincere greetings on the auspicious occasion of Diwali and wish you a great year ahead.

It is indeed a pleasure to invite all the SOGOG members to the grand AICOG 2017. The mega-event is organized by the AOGS, one of the founder societies of FOGSI & one of the most dynamic and progressive member bodies of FOGSI. The AOGS stands for evidence based clinical practices, amalgamation of good quality obstetrics with technological advances in our fraternity. The AOGS has taken initiatives for regular updating of knowledge, accreditation and ethical and moral aspects of professional practice.

We have organized in the past 3 highly successful AICOGs in 1963, 1986 & 2000. We are very committed to continue the tradition of our stalwarts to organize a conference with top-quality scientific program as well as great fellowship and camaraderie.

The scientific menu that we are designing for you has many delicacies on the platter related to both day to day practice as well as high-tech practices.

This prestigious and mammoth task is bestowed on us, and we request you to all participate with enthusiasm and to shoulder the responsibilities with us. We invite you to join the reception committee as well as the committees where you can contribute according to your capacities and aptitude.

Let us make this AICOG an all Gujarat event in the year of Vibrant Gujarat & enjoy the memorable conference with all our might.

We invite your creative ideas and inputs for better design of AICOG 2017.
