PRESIDENT MESSAGE

Dr. Rajal Thaker
President

Dear AOGS Member,

Answering a question 'how can women be more successful in society?', a very well known spiritual leader **Sadhguru** told that, "Woman is not a separate species. We don't have to treat them as a separate species. In fact it's a small biological difference to serve a certain purpose. Women should succeed as woman and not as man. The notion that, women have to pretend to be a man to be successful has to go and the world has to move from Brawn to Brain."

As per '**Women, Business and the Law 2019**' report released by world bank in March 2019, only six countries (Belgium, Denmark, France, Latvia, Luxembourg and Sweden) have equal rights for men and women.

A "gender-equal society" is a "society in which both men and women, as equal members, have the opportunity to participate in all kinds of social activities at will, equally enjoy political, economical and cultural benefits, and share responsibilities." The realization of a truly affluent society is dependent on the establishment of a social framework that allows individuals to choose various lifestyles regardless of their gender, and without being bound by such rigid, stereotyped gender roles. When we talk about equality for women, **there should be complete equality in all aspects and there shouldn't be a biased system based on convenience. We, each and every one of us, need to rethink our prejudiced notions of gender-based roles, so that we may realize a society where men and women can participate together in politics, at social and religious gatherings, at the workplace and at home, and lead exciting and fulfilling lives.**

Organising and participating in rallies and pledge taking for '**save the girl child**' and '**women empowerment**' are not enough. We all should work hard towards **Beti Bachao- Beti Padhao** and to empower her and treat her equally...it's high time to implement the gender equality at AOGS as well ...

પર્ણ ઓછા ને ફૂલ ઝાઝા, જુઓ ને લચી પડ્યો આ કેસુડો...

આંખોથી જોવાય, પણ આંખમાં ના સમાય, રંગ એવો કંઈક ભરી જાય, આ કેસુડો...

રંગે રાતો, ને મદમાતો, એના રંગે રંગી જાય, આ કેસુડો...

ડાળેથી તોડ્યું, જરા એક ફૂલ, હૃદયે વસી જાય, આ કેસુડો...

તમને ફાગણના ફાગ મુબારક.....

NO MATTER HOW BADLY PEOPLE TREAT YOU, NEVER DROP DOWN TO THEIR LEVEL, JUST KNOW YOU'RE BETTER & WALK AWAY....

As my tenure is getting over on 31st March 2019, I sincerely thank Team AOGS 2018-19, AOGS members, office staff and all those who have contributed directly or indirectly towards betterment of AOGS.

Best wishes to the new team.

Long Live AOGS

HON. SECRETARY MESSAGE

Hon. Secretary

*"If you are brave enough to say goodbye, life will reward you
with a new hello"* -Paolo Coelho

Dear AOGS Members,

Serving AOGS is an honor, privilege that I will embrace for my entire life. AOGS is like a best friend - that teaches you to fight, love, support, and grow selflessly. This journey has uplifted me to heights that the nature permits me to keep up with my duty no matter what.

To my ever-fighting spirit &
great support from my Team

"Alone we can do so little; together we can do so much."
- Helen Keller

I share my deepest gratitude to all my mentors & colleagues to hold my hand and guide me through the toughest moments & be my partner in Happy Times.

"माझा मात्र भुल ने पात्र"

I have tried my best to justify my post and my duties. During this journey if knowingly unknowingly I have caused sorrow, I would like to say "मिच्छामि दुक्कडम्" to all my mentors and Colleagues.

"Lose not yourself in a far-off time, Seize the moment that is thine"
- Friedrich Schiller

"An old man lived in the village. The whole village was tired of him; he was always gloomy, he constantly complained and was always in a bad mood. The longer he lived, the viler he became and more poisonous were his words. People did their best to avoid him because his misfortune was contagious. He created the feeling of unhappiness in others.

But one day, when he turned eighty, an incredible thing happened. Instantly everyone started hearing the rumour: 'The old man is happy today, he doesn't complain about anything, smiles, and even his face is freshened up.'

The whole village gathered around the man and asked him, "What happened to you?"

The old man replied, 'Nothing special. Eighty years I've been chasing happiness and it was useless. And then I decided to live without happiness and just enjoy life. That's why I'm happy now.'

To live a
Creative Life
we must lose the fear
of being
Wrong

Congratulations to the Upcoming Team AOGS :- 2019-2020 and SOGOG Team.

Signing of for Now,
AOGS Secretary
Dr. Kamini Patel
