TEAM AOGS MESSAGE

Dr. Anil Mehta
President

Dr. Mukesh Savaliya
Hon. Secretary

Greetings of new year dear friends!

As chilling winter continued this month, we started off our academic journey by supporting recently concluded West Zone Yuva FOGSI 2020 in first week, which received a lot of appreciation and great participation by delegates. It was well organized by Gandhinagar Ob Gy Society and the academic discussions conveyed fruitful messages to the audience.

We hope you all enjoyed the kite festival, which reminds me of few lines it teaches about life:

"Kites rise highest against the wind, not with it!" - Winston Churchill

Embrace all the challenges and win over them!

An unwanted and tragical incident shook us last month and the unity of our fraternity as a whole made a positive impact! United we stand, divided we fall!

In recent times, we've read about demise of few young doctors of our country, who were successful professionally, yet succumbed to stress of life... Let's find some time for creativity, meeting good friends and mainly, schedule some time to 'live' your own life...

CME : 19

DATE: 09.02.2020, SUNDAY
