AOGS Team's Message

Dear Friends,

"Teamwork is the fuel that allows common people to attain uncommon results."

Glad to acknowledge that we are moving ahead with our adventurous tour to Leh by road with 50 delegates (Gynecologists and their family members). Kudos to all the participants.

We very quickly are proceeding towards our dream project i.e. National Medico-legal Conference. We invite all to work for the same. Please do register for the same at the earliest.

**"Teamwork makes the dream work"
"Teamwork divides the task and multiplies the success."**

We are trying our level best to organize best programs in AOGS. We request you all to attend the CMEs in large number. We expect active participation of all AOGS members. In the month of July we are going to have four CMEs and one National Tour Hope everybody will take benefit of the academic feast in CMEs.

Hoping the early and great monsoon ahead.

Dr. Geetendra Sharma
President - AOGS

Dr. Rajal Thaker
Hon. Secretary - AOGS

Congratulations

to **Bansari Parikh**

D/o. Dr. Kalpesh R. Parikh &

PAST PROGRAM REPORT

World Environment Day - "Cycle Rally" - Date : 05.06.2016

Feedback:

1. Dr Niyati Lakhani - Enjoyed being a part of AOGS event
 2. Dr Nilesh Shah - Cycling event was well planned, well organised, well executed. It was fitness cum academic feast with sumptuous breakfast. Congo to Dr Rajalben, Sujal & Sunil
 3. Dr Divyang Patel - Enjoyed the rally and gap time visit of robotic surgery unit of HCG hospital. Cycles provided were of high quality. Jay ho AOGS.
 4. Dr Arun Patel - It was a great experience & enjoyable picnic with our health conscious gynec friends.
 5. Dr Kshama Shah - It was a wonderful experience of cycle rally & visit to HCG hospital.
 6. Dr Nimmit Kubavart - Dear all AOGSIAN, to be a member of this society, it is really a great honour for all of us. But in real sense it becomes fruitful only when we dedicate our presence from bottom of heart in spite of all hurdles. This rally has initiated a click to get a win over climate change and to provide healthy environment for all of us. Heartiest congratulations to the President, Secretary and coordinator.
 7. Dr Suresh Kothari - I was doubtful of completing rally. Many of us used cycle after many years & hybrid one first time in life. It was a great experience & for me Successful TMT also. Knew how exactly robotic surgery done at HCG theatre with its robotic hands & instruments. It appeared that learning curve is definitely less & it give more precise surgery.
 8. Dr Kiran Desai - Here by, I would like to Congratulate AOGS managing committee for organising cycle rally. Dr Rajal has a good eye sight for any outdoor activity.
Evening was just superb
- 1) Time : Early morning hours 2) Making cycles of very high quality available for those who were not having cycles of their own but wanted to participate 3) Providing T shirts to all. Courtesy: Nova (VI 4) Selection of route was extremely nice so first time riders could also enjoy. 5) Breakfast and knowledge of Robotic surgery by Dr Kalpana Kothari of HCG hospital 6) Banners of World Environment day were good Courtesy: Nisarg Charitable Trust 7) Very Good team work by Dr Geetendra, Dr Sujal and Dr Sunil

Even Press has taken note of Cycle Rally

- Weather : in LADAKH 7 degree to 25 degree. (JUNE)

NEXT CME ON 24.07.2016 & 31.07.2016

Public Private Partnership for Elimination of Pediatric HIV

In order to reach the goals of national PPTCT program and Global Plan i.e. “zero new infections by 2015”, universal coverage of pregnant women with HIV counseling and testing services is adopted as the primary strategy by National AIDS Control Program (NACP).

By the end of 2014, 9.7 million pregnant women were counseled and tested for HIV in India. Despite these efforts, India still has a coverage gap of 66.6% in HIV counseling and testing of pregnant women and a gap of 64.7% in identification of estimated HIV positive pregnant women. A key reason for this coverage gap is limited engagement of private sector. Only 8.3% private facilities are part of the 15,606 ICTCs to cover 36, 12,903 (28%) pregnant women availing institutional deliveries in private facilities in India. **58.5% pregnant women availing institutional delivery in Gujarat.**

In this regards SAATHII is a partner to National AIDS Control Organization (NACO) and is expected to saturate all private hospitals providing ante natal delivery and post natal care services to start Facility Integrated Counseling and Testing Centre (FICTC) in the PPP mode.

The role of SAATHII will be to provide support in establishing and scaling up private healthcare facilities under the PPP model, including such steps:

- Mapping and identifying potential sites
- Assessment and finalization of sites
- Enabling tri-partite Memoranda of Understanding (MoU) for the PPP, each involving the site, SACS and SAATHII
- Establishing systems of documentation and reporting as per SACS/NACO and GFATM protocols
- Link sites to parent ICTCs for training and other hand-holding of PPP site staff in service delivery and reporting
- Offer technical support to strengthen quality at sites through Supportive Visits, Supportive Monitoring Visits, Counselling and Medical Mentoring, and Routine Data Quality Audit (RDQA) in the PPP sites
- Facilitate Joint monitoring by DAPCU and the Project

The Role of SACS (Government):

- Support of commodities such as HIV diagnostic test kits, PPTCT drugs, Counseling tools, IEC as per the requirement in the free of cost to the hospital.
- Training to Medical/Para Medical staff on National guidelines and protocols.
- To supply condoms required for demonstration and distribution to clients coming to the ICTC as per requirement
- To provide Registers and Formats as per “Operational guidelines for Integrated Counseling and Testing Centre”.

With this reference you are requested to please provide support to SAATHII in initiating FICTCs in PPP mode at your hospital and contribute for the national goal of Eliminating Pediatric HIV transmission. PPP arrangements will be formalized through a MOU involving GSACS, SAATHII and your hospital. Hospitals that have signed MOU will be assigned with a SIMS ID and provided with test kits and training on PPTCT cascade by SACS. Sites are expected to report details of HIV testing of ANCs to DM&HO through DAPCU (District AIDS Prevention Control Unit) and refer positive pregnant women for confirmatory tests at ICTCs and care support and treatment services.

NATIONAL MEDICOLEGAL CONFERENCE

02-03-04, September - 2016

GMC
Credit Hours
Assured!

Organized by :
Ahmedabad Obstetrics & Gynecological Society
