AOGS Team Message

Dear Friends,

“Talent wins games, but teamwork and intelligence win Championships”.

We are happy to be in touch with you once again. We are really happy to see the participation of our members in various kinds of activities. The program on Yoga and Pranayam was well attended and the presence of our most senior members Dr. Vilasben Mehta and Dr. Devindraben boosted our morale. We all want to fly high with the blessings of our seniors.

We have planned an adventurous tour of Leh and Ladakh by road in July as promised by President. We had a doubt whether our members will participate or not. We are really glad to acknowledge that we got a tremendous response and after 40 registrations we were forced to deny a few more. Kudos to all our adventurous AOGSians.

We do not want to lose this chance to request our members to register for National Medico-legal Conference in September and of course AICOG in January. We assure you that we will not leave any stone unturned to provide you the best academic feast. We want to make our National Medico-legal Conference a landmark one.

We expect similar kind of co-operation and participation in all future programs.

Sincerely Yours

Dr. Geetendra Sharma
President - AOGS
