Dr. Anil Mehta
President

Dr. Mukesh Savaliya
Hon. Secretary

“Discipline is the bridge between goals and accomplishment”

It gives us an immense pleasure because AOGS in true sense has become Vibrant Medico-Legal Problems & Mob-Violence are the burning issues of today’s era.

We are planning to form a Central Team as well as area wise teams to help our members in this kind of situations.

But simultaneously we all members should not forget to

1. Keep our hospital well equipped and up to date
2. Our OTs have all necessary equipments and gadgets for the monitoring of patients
3. We have all emergency medicines at hand
4. We have all regular medicines as well as surgical items nicely arranged
5. We have list of important phone numbers stickled in to OT
6. Judiciously use Investigations wherever and whenever necessary
7. Last but not the least we all keep ourselves updated with knowledge & current Practice

Everybody says

“mistake is the first step of success”

But the real fact is,..

“correction of mistake is the first step of success”
