PAST PROGRAMME REPORT

Medical Management of **DUB**

Programme of DUB at St. Larn was attended by more than 75 AOGS members. The lectures on conservative management of DUB were very much informative & gave the insights of the subject in lucid details. The faculties-namely Dr. Uma Devi & Dr. Rajeshkaran Nair gave the details of use of ormeloxiphen in the management of DUB. While Dr. Vinit Mishra gave the insight of the management of patient of DUB with CRF.

The programme was well-appreciated & everybody relished the food & academic feast.

Program on

CANCER AWARENESS

The programme on pap smear & Cx cytology at cancer hospital was aimed at stressing the need for Cx cytology at regular intervals in all eligible female patients & the vital role of the gynecologists in providing this most important basic services to the general population at large.

Dear AOGS colleagues,

Very warm seasons' greetings. Hope u all enjoyed Diwali vacation & enjoying festive marriage season as well.

Now it's a time for some mouth-watering academic dishes!!

We will have a two day Uro-gynaecology conference on 12th-13th December.

It will be followed by a one day CME on 'Critical Care in Obstetrics' on 27th December at Apollo Hospital.

The pinnacle of this year will be an endoscopy conference in the month of February. Our President Dr. Pragnesh Shah has a dream to organise this conference in a manner, where it will be remembered by one & all as the conference with a difference-both contentwise & administrationwise.

You all are requested to join all of this academic festivals whole heartedly. After all, each chance of meeting with our dear colleagues gives us the wonderful opportunity to share, cherish & enjoy those golden moments.

So, strap on, & get ready for this joyful Hemant & Shishir season...

Happy Makarsankranti in advance.....!!!

We wish all of you a Happy New Year - 2010.

LAST WARNING

PAST PROGRAMME REPORT

EGYPT TOUR

The rendezvous with the great ancient heritage of Egypt was truly a pleasant experience of life time. Immediately after diwali, some 65 of our AOGS family members set off for this grand expedition. For next 8 days everybody enjoyed the breath-taking site scenes of great pyramids, sphynx, and the wonders of the world-karnak & Luxor temples. The grandeur of king ramsys, sitting on the throne at abu-simble overlooking the lake Nasar was a perfect blend of great ancient Egypt & modern engineering marvel.

Through out the tour the relaxing & comfortable resorts, hotels & cruise on the Nile River, gave all of us the much needed rest, leiasure & serene peace of mind.

From small kids to the mature ones, everybody enjoyed the trip to its fullest potential. We thank AOGS foe giving us the opportunity for this excellent vacation bonanza & look forward for similar wonderful ventures in the future.

Past CME - Update in Obstetrics Gynecology and Fertility (Organized at Egypt)

Session 1 9:30 to 10:15 am

Chairpersons: Dr. Niruben Shah , Dr. Meeta Adhroja

- * Dr. Ragya Noor (Cairo - Egypt) - Update of IVF practices in Egypt
- * Dr. Pragnesh Shah - Why every gynecologist should learn basic endoscopy
- * Dr. Mehul Damani -Active management of infertility

Session 2 10:15 to 11:00 am

Chairpersons: Dr. Smrutiben Rawal, Dr. Yamini Trivedi

- * Dr. A C Rawal - My experience with Obstetric Hemorrhage
- * Dr. Rajal Thakar -Adolescent Friendly health services
- * Dr. Mahendra Soni- Difficulty of delivering baby during LSCS

Session 3 11:00 to 11:45 am

Chairpersons : Dr. M. Kalyani, Dr. Kolte

- * Dr. Tushar Shah - improving results in IVF
- * Dr.Jignesh Deliwala - Recurrent pregnancy loss
- * Dr. Kruti Deliwala - Thermal Ballon Therapy
- * Dr. Shilpaben Shah - Dental care in reproductive years

CME was organized in Hilton Hotel Cairo on 22/10/09. It was attended by 22 delegates. Various topics covered on Obstetrics Gynecology and Fertility. All colleagues appreciated the contents delivered. All delegates also welcomed the idea of gaining knowledge associated with family vacation as well as tax benefits. All AOGS members are invited in future to take this triple advantage.
