Dr. Kamini Patel

I, Dr. Kamini Patel at VANI IVF AND SURROGATE CENTRE happy to serve the society with the strong belief the surrogacy was prevalent even in the times of LORD KRISHNA.

Surrogacy: At Vani IVF centre we consider it to be the blessing in disguise. Our belief in surrogacy emerges more strongly when we look at the past during the times of LORD KRISHNA.

In THE GITA: It is mentioned that LORD BALARAMA, LORD KRISHNA's elder brother was born as the surrogate child. During the birth of the Seventh Child, Queen Devki had a miscarriage. The baby was mystically transferred to the womb of Queen Rohini, King Vasudeva's Second wife.

Surrogacy has been prevailing since the times of LORD KRISHNA, and is still considered as the boon.

We at VANI IVF centre take the pride of SERVING THE SOCIETY having selfless motto and with GOD besides us.

Increase the spontaneous pregnancies in your patients...

(Micronized DHEA 25mg + Folic Acid 1.5mg)

Betters the odds of achieving pregnancy

- Positively affects spontaneous pregnancies in women with diminished ovarian function¹
- Revert deteriorating older oocytes into younger oocytes acting at early stages of follicle maturation¹
- Significantly increases ovarian function both in poor responders & women above 40¹

“The high percentage of spontaneous pregnancies before starting IVF cycle suggest that DHEA alone can raise fertility in women with poor prognosis for pregnancy, independently of age, probably adjusting defect at earlier stages of folliculogenesis.”¹

EDITORIAL

Dear Amdavadi FOGSIANS !

This universal address is a Gentle reminder for your voting for our FOGSI candidates !

We had Humble Hospitality at 'NOVOTEL' on 27/7/14 by Sun Inca! --
-we learnt about role of Myoinositol in PCOD by Italian Dr. Nordio & role of GnRh Analogue in Endometriosis by Canadian Dr. Togas Tolandy followed by Bollywood Quiz by our young & enthusiastic joint secretary Dr. Raj. Everybody liked it !

We hope you must have enjoyed IGNITE CME jointly organized by AOGS & ICOG at Courtyard Marriot on 24/8/14. The topic was Reproductive ENDOCRINOLOGY in OBGY. Second Phase of IGNITE CME will be organized shortly. Delegates who will be participating in both CME's will get a certificate from ICOG.

In between we were busy with pre-operative preparation of 'Goa Conference' ! It will be a 'Cock tail' of Fun, Fantasy & Fruitful Knowledge !

At last, how can we forget 'Janmashtami festival' as Obstetricians ! The Lord Krishna says in Bhagwad Gita that 'Janma Karma Chame Divyam' means God's Birth & Actions in this world are very very Divine..... !

With warm regards,

Editorial Team

Dr. Snehal Kale

Dr. Anjana Chauhan

Dr. Dhaval Shah

Dr. Shashwat Jani
